Innovation in Technology

November 2024

This was the 196+ forum Vienna 2023!

What a great start it was in 2023! Together with over 200 attendees from various industries we celebrated our second edition of the 196+ forum Vienna in 2023. We started with an amazing reception at the 25hours Hotel Vienna, continued our conference with great discussion and insightful workshops on sustainability.

In cooperation with the Vienna Tourism Board and Museum Booster we continue to organize a platform to build bridges between the hospitality investment, tourism and museum industry. And of course, with your ongoing support we want to take the 196+ forum Vienna to the next level.

What to expect in 2024:

- 3 days of inspirational content, infotainment and valuable networking
- 1 full-day conference with interactive discussions on technology
- 30+ international speakers
- Interactive workshops with insights into best practices from other industries
- Presentation of the Hotel Innovation Award
- Culinary experience with local treats
- Walk & Talk tours through the city of Vienna

Communication is key!

2023 showed that this is absolutely true. We want to keep up the many possibilities to connect and mingle with the experts of the industry.

Pre-conference networking

To start the 196+ forum Vienna right, we will organise an informal Welcome Reception on the first day of our event. The location is still secret, but please make yourself ready for a nice evening with your industry friends.

Festive Dinner

To wrap-up a successful conference day we will get together for our Festive Dinner. Together we will honor and celebrate the winner of the Hotel Innovation Award 2024. Take the opportunity to connect with our speakers, experts and like-minded souls over dinner and drinks.

Excursions on the next day

Join us on our Walk & Talk tours through Vienna organised together with our partners Vienna Tourist Board and Museum Booster. You can choose between several different tours, according to your interests. Even locals will experience something new.

Hotel Innovation Award

Just like innovations continuously change so does the focus of our 196+ forum Vienna and the criteria for winning the Hotel Innovation Award. While 2023 was all about "Sustainability", this year's focus will be on "Technology". Hotels or hotel groups can submit their innovative technology concept online and we are looking forward to the variety of participations.
